OLC #78-2274

13 June 1978

NOTE FOR:

OLC

FROM:

ICS

Pete:

The attached list responds to Jim Bush, HPSCI's request for a handy reference guide to DCI committees and their subgroups. This should do the job, and just in case he should need more, I've noted the pertinent DCID. You may want to remind him the DCIDs are available at the HPSCI office, in case he is not aware of this.

Gini
